We are pleased to provide you with the St. Mary's Academy bi-monthly electronic newsletter, eVeritas. The newsletter is available on our website the first and third Thursday of each month during the school year.

## This Week

### Open House

We were happy to welcome over 225 families at the inaugural St. Mary's Academy Open House last weekend. The drumline, cheer/dance team, and Bobby the Bobcat mascot were on hand to welcome the crowds. Children toured the campus and played on the inflatables at the JumpZone. Prospective students participated in dissection and chemistry experiments, as well as participated in the Robotics Club activities. Parents spoke with faculty, coaches, and students about St. Mary's classroom instruction, athletic programs, Arts programs and student clubs.

The entire staff of the Archdiocese of Atlanta Office of Catholic School's was available to promote the school and answer questions. Mr. Hal Plummer, Superintendent of Schools, provided welcome remarks and hosted a Q&A session for all attendees.
