## This Week

### Bobcat Breakfast for OLV Parent Community

"We want all OLV students to apply and be part of the SMA community," said Margo Wach to over a dozen families this past Tuesday at the Bobcat Breakfast hosted in the OLV cafeteria. Mrs. Wach presented the school, classroom, and spiritual aspects of St. Mary's Academy. "We understand parents are considering school options right now. We want St. Mary's Academy to be their first choice," said Wach.

Kiesha Porter presented Admissions information. Cori Nardoza scheduled help times for parents wanting assistance in the application process. Athletic Director Bill Schmitz presented SMA's planned athletic programs, teams, and clubs. College Counselor Sarah Athearn presented the four-year process of how she works with high school students to explore who they are and find the college or work program that best fits each child's ambitions.

Magnify your community spirit!

## Bobcat Mascot

### New Graphics Will Grace the Halls of SMA

The Archdiocese of Atlanta Office of Catholic Schools worked with Simple Design Works (Atlanta, GA) to update the current bobcat graphics. After many versions and meetings, the below designs have been approved.

"We have vibrant new colors and an updated mascot that will look great on our new SMA team uniforms next year, and it will be incorporated into our athletic program," said Athletic Director Bill Schmitz.

Magnify your team spirit!
